2005 Order of the Dragon Program Inductees

The following individuals were inducted into the Order of the Dragon Program (OODP) in 2005. The OODP is designed to maintain and enhance the legacy of the Chemical Corps and to promote cohesiveness and esprit de corps in the Chemical Corps Regiment by recognizing individuals who have served the Corps with distinction. The OODP consists of three awards: the Ancient Order, the Honorable Order, and the Carol Ann Watson Spouse Award. Nominated personnel must meet the criteria established for each level of recognition. Information concerning the OODP is available on the Chemical Corps Regimental Association Web site *<http://www.chemical-corps.org>*.

2006 Nominations for the Hall of Fame and Distinguished Member of the Corps Honors

Nominations are being accepted for the Chemical Corps Regimental Association (CCRA) Hall of Fame and Distinguished Member of the Corps honors.

- **Hall of Fame.** This award is extended to chemical personnel (living or deceased) who have spent their professional careers serving the Chemical Corps. Their service to the Corps must be extraordinary. For information on the nomination criteria and submission requirements for the Hall of Fame program, see Web site *<http://www.chemical-corps.org/honors/hof.htm>*.
- **Distinguished Member of the Corps.** This award is extended to living members who served the Corps in their professional lives and continue to serve it in their personal lives. Active Army military and current federal civilian personnel are not eligible for the program. The nominations are limited to personnel who have been retired for at least two years. For nomination criteria and submission requirements for the Distinguished Member of the Corps program, see Web site *<http://www.chemical-corps.org/honors/dmc.htm>*.
