<p>*Mission Essential Task List (METL) NBC personnel role – NBC personnel must assist the commander in determining training requirements, assist leaders in preparing and conducting NBC training, and assist in training leaders.</p> <p>The unit NBC NCO performs his/her own mission threat analysis focusing on the threat’s capability to employ NBC weapons against their unit. This allows the NBC NCO to make a priority list on critical NBC individual, supplemental ARTEP/MTP tasks that may need to be accomplished in an NBC environment. Prioritization will make the best use of time allocated for NBC training.</p>	CO NBC Off; BN NBC Off/NCO; Co Cdr/1SG; Trng NCO	AR 350-41; FM 3-series; FM 25-100; FM 25-101; SOP; Unit MTP
