FLW Regulation
No. 190-6

1 August 2005

Registration and Control of Privately Owned Firearms
and
Other Weapons On Fort Leonard Wood

Summary. This regulation establishes policies and procedures for the possession, use, security, and transportation of privately owned firearms and other privately owned weapons on Fort Leonard Wood (FLW).

Applicability. This regulation applies to all personnel residing on, working on, or visiting the installation.

Supplementation. Supplementation of this regulation is prohibited without prior approval of Headquarters, US Army Maneuver Support Center (USAMANSCEN) and Fort Leonard Wood.

The words "he and "his" used herein are indented to included both masculine and feminine genders, except where otherwise noted.

Suggested Improvements. The proponent agency for this regulation is the Provost Marshal. Users are invited to send comments and suggested improvements on DA Form 2028 (Recommended Changes to Publications and Forms) to Commander, USAMANSCEN, ATTN: ATZT-LEC, FORT LEONARD WOOD, MO 65473-5600.

Glossary	

*This regulation supersedes FLW Regulation 210-25, dated 1 Aug 1998.

e. Any sale or transfer of a registered weapon by an individual residing on the installation will be reported to the Military Police Station, Building 1000, by the seller within three duty days after such transfer or sale.

f. The Provost Marshal and unit commander may refuse or terminate registration and withdraw authorization to maintain a weapon on post when reasonable cause exists to believe that such refusal or termination will best serve the interests of the Army, or supports the preservation of good order, safety, health, or discipline on the installation.

6. Security. Privately owned firearms will be secured as follows:

a. Firearms of personnel who reside on post will be kept -

(1) Out of reach of small children.

(2) In a place separate from ammunition.

(3) Under double lock when the quarters are left unattended. One lock may be the quarters entrance(s) and the second lock may be a locked container, trigger lock, or locked cable/chain/rod through the firearm's trigger guard or barrel, or storing the weapon in a locked room, closet, or cabinet.

b. Commanders may direct that firearms be kept in the unit arms room if any of the conditions described in paragraphs 5c(1) through 5c(6) exist.

c. Firearms owned by officers, noncommissioned officers, and enlisted personnel living in any/all barracks or temporary lodging will be secured in the individual's unit's arms room when not in use.

7. Transportation.

a. Firearms may be transported onto, through, and/or on the installation only for the following reasons:

(1) En route to, and during authorized hunting (see FLW Regulation 210-21).

(2) En route to and during practice sessions conducted on a range designated and approved for such practice by the Directorate of Plans, Training, and Mobilization (DPTM) Range Branch or the Community Sportsmen Center.

(3) Directly to the place of business of a licensed firearms dealer (for the purchase of sale, repair, or other business reasons).

(4) Directly to the location of bona fide repairs, sales, or purchases of firearms by and between private individuals. The purpose of the transaction must be in compliance with applicable state, local, and federal laws.

(5) Directly to and from gun or sport shows, fairs, or displays.

(6) En route to an off post location.

(7) Directly to an authorized storage location.

b. Firearms will be transported in the following manner:

(1) All firearms transported on Fort Leonard Wood will be UNLOADED. Muzzle loading firearms will be considered

as unloaded when the ignition system (cap or powder in pan) is removed.

(2) When transported in a sedan, firearms and ammunition will be carried in the trunk.

(3) When transported in a truck, van, or vehicle which does not have a trunk or enclosed cargo area capable of being locked, firearms, and ammunition may be carried in the vehicle's passenger compartment, however, the weapon and ammunition must be separated. Weapons will only be loaded in authorized hunting areas or areas designated for privately owned weapons.

(4) When transported in the passenger compartment of a vehicle, handguns will either be locked in the glove compartment or other locked compartment. Pistols will be kept unloaded while on FLW except at authorized ranges. At no time will pistols be carried on the person of the owner in a concealed fashion.

(5) Rifles and shotguns carried in the passenger compartment of a vehicle will have the bolts removed, or the action broke open. Rifles and shotguns transported in locked storage compartments may be transported with the bolts or actions closed.

(6) Unless being transported for a legitimate activity or purpose detailed in paragraph 7a(1) through 7a(8) above, firearms will not be transported by any means of transportation on Fort Leonard Wood. They will be removed and stored IAW paragraphs 6a through 6c.

(7) Crossbows will be transported consistent with other firearms. Additionally, crossbows will be uncocked and bolts or arrows will not be notched.

c. Directorate of Logistics (DOL), Transportation Division will notify the Operations Section, Office of the Provost Marshal, when it is known that inbound personal property shipments contain firearms.

8. Prohibited Firearms/Items.

a. The following privately owned firearms/items are prohibited on Fort Leonard Wood:

(1) Any firearm prohibited by Missouri State law.

(2) Any destructive device, short barreled shotgun, or short barreled rifle as defined by 18 USC 921 or regulations promulgated thereunder the Secretary of the Treasury; or any machine gun as defined by 26 USC 5845 or regulations promulgated thereunder by the Secretary of the Treasury (except when properly registered by bona fide collectors).

(a) A short barreled shotgun or rifle is defined as having one or more barrels less than 18 inches in length or any firearm made from a shotgun (whether by modification, alteration, or otherwise) if such firearm, as modified, has an overall length of 26 inches or less.

(b) Examples of prohibited destructive devices include, but are not limited to, military weaponry such as cannons, mortars, howitzers, fully automatic rifles, machine guns, and launchers.

(3) Switchblade knives, dirks, brass knuckles, black jack saps, sappers, sap gloves, billy clubs, and garrotes.
