

Writing for the Maneuver Support Magazine

The *Maneuver Support Magazine* is designed to provide a forum for exchanging information and ideas within the maneuver support community. We include articles on any of the multitude of capabilities, tasks, and processes associated with protection, movement, and mobility. Writers may discuss training, current operations and exercises, doctrine, equipment, history, personal viewpoints, or other areas of general interest to maneuver support personnel. Articles may share good ideas and lessons learned or explore better ways of doing things.

Articles should be submitted as double-spaced Microsoft Word documents. They should be concise, straightforward, and in the active voice. If they contain attributable information or quotations not referenced in the text, provide appropriate endnotes. Text length should not exceed 2,000 words (about eight double-spaced pages). Shorter after-action-type articles and reviews of books on maneuver support topics are also welcome.

Include photos (with captions) and/or line diagrams that illustrate information in the article. Please do not include illustrations or photos in the text; instead, send each of them as a separate file, with photos either in the .jpg or .gif format. Do not embed photos in PowerPoint. If illustrations are in PowerPoint, avoid excessive use of color and shading. Save digital images at a resolution no lower than 200 dpi. Images copied from a website must be accompanied by copyright permission.

Provide a short paragraph that summarizes the content of the article. Also include a short biography, including your full name, rank, current unit, and job title; a few of your past assignments, experience, and education; your mailing address; and a fax number and commercial daytime telephone number.

Articles submitted to the *Maneuver Support Magazine* must be accompanied by a written release by the author's unit or activity security manager prior to publication. All information contained in the article must be unclassified, nonsensitive, and releasable to the public. The *Maneuver Support Magazine* may be distributed to military units worldwide and could be accessible to nongovernment or foreign individuals and organizations.

We cannot guarantee that we will publish all submitted articles. They are accepted for publication only after thorough review. If we plan to use your article in an upcoming issue, we will notify you. Therefore, it is important to keep us informed of changes in your e-mail address and telephone number. All articles accepted for publication are subject to grammatical and structural changes as well as editing for style.
