

## *Dedication*

The following members of the Engineer Regiment have been lost in the Global War on Terrorism since the last issue of *Engineer*. We dedicate this issue to them.

|                                    |                                 |                        |
|------------------------------------|---------------------------------|------------------------|
