

Fallen Engineers Memorial Unveiled

One of the highest priorities of the Army Engineer Association (AEA) is to recognize all Army engineers who have given their lives in the defense of the United States of America. Equally important is to recognize those engineers who received wounds in combat resulting in the award of the Purple Heart. AEA is accepting donations for the maintenance of the Memorial Wall for Fallen Engineers unveiled at the Sapper Grove at Fort Leonard Wood, Missouri—home of the Army Engineer Regiment—during the ENFORCE 2011 conference.
