MEMORANDUM FOR Incoming Military Police Advance Leader Course Students

SUBJECT: Welcome Letter from the Course Chief

1. On behalf of all of the Maneuver Support Center of Excellence Noncommissioned Officers Academy, I would like to welcome you to the Military Police Advance Leader Course.
2. Your selection to attend this course is a testimony to your future potential for assuming greater responsibility. I encourage you to share your operational experience with your peers daily and always keep an open mind to new ideas and techniques.
3. Your course of instruction will be challenging, exciting, and meaningful. The instruction will require evening and weekend study on your part. The objective is to develop your confidence and leadership techniques while creating high personal and professional standards. You will leave here better prepared and equipped to train Soldiers of the MP Corps Regiment.
4. Standards are very high. You will be expected to have a positive attitude, a professional appearance, a personal commitment to excellence and a strong will to grow. I am committed to ensuring all students are given the opportunity to successfully complete the course.
5. Students need to read the student evaluation plan as well as the student guide located on this website. Being identified to attend through the course does not automatically lock you in for billeting. Ensure you contact the local billeting office to make arrangements for your room prior to your arrival.
6. Again, congratulations on your selection to attend this course. I hope the next seven weeks prove to be career enhancing as well as a tremendous learning experience. I encourage you to focus on the weeks ahead and strive to be the best at all times. **"NCOs Lead the Way."**
7. If you have any questions or concerns contact me at 573-596-0131 ext. 3-7453 or e-mail at ATZTNCO@conus.army.mil
