

CAC-33: Ranges and Training Lands: Live training resource requirements are documented and live training is executable.								As of: Final Draft 2012
Criteria	Criteria Guidelines	References	Required Documents	Applicability				Mandatory Comments
				CoE	School/College	TR NCOA	RC	
Criterion 33a: Live training resource requirements are properly documented for current and future training resource requirements.	33a (1): POIs with live fire training requirements document all training range resource requirements by range type and time required for each Problem File Number (PFN).	AR 350-19, DA Pam 385-63, TC 25-8, TR 350-70	POIs, ARRM, RFMSS (or equivalent historical data)	X*	X	X*		POIs do not document accurate training range resource requirements.
	33a (2): POIs with training land requirements document all training land resource requirements; including training land size, configuration, and time required for each PFN.	AR 350-19, DA Pam 385-63, TC 25-1, TR 350-70	POIs, ARRM, RFMSS (or equivalent historical data)	X*	X	X*		POIs do not document accurate training land resource requirements.
	33a (3): POIs with training land requirements includes vehicle types/numbers and average distance traveled by each vehicle type per class iteration.	AR 350-19, DA Pam 385-63, TC 25-1, TR 350-70	POIs, ARRM	X*	X	X*		POIs do not reflect accurate vehicle type/mileage.
	33a (4): POIs with live training requirements accurately reflect the commandant's intent and current training plan; POIs are up to date.	AR 350-19, DA Pam 385-63, TR 350-70	POIs, ARRM, RFMSS (or equivalent historical data)	X*	X	X*		POIs have not been updated and do not reflect current training requirements.
	33a (5): Institution utilizes ranges and training lands in accordance with their POIs.	AR 350-19, DA Pam 385-63	Interview with institution G3/S3 representatives and IMCOM representatives.	X*	X	X*		Institution does not utilize ranges or training lands in accordance with their POIs.
Criterion 33b: Institution coordinates with Range Operations, IMCOM, and other supporting agencies to ensure that their live training requirements will be met.	33b (1): Institution maintains regular communication with Range Operations (or equivalent) personnel in order to communicate specific live training requirements and de-conflict live training schedules.	AR 350-19, DA Pam 385-63	Interview with institution G3/S3 representatives and IMCOM representatives.	X*	X	X*	X*	Institution does not maintain effective communication on live training issues with IMCOM supporting elements.
	33b (2): Institution notifies DPTMS (or equivalent) when new live training requirements emerge or live training requirements change.	AR 350-19, DA Pam 385-63	Interview with institution G3/S3 representatives and IMCOM representatives.	X*	X	X*	X*	Institution does not inform IMCOM supporting elements of changing live training resource requirements.

CAC-33: Ranges and Training Lands: Live training resource requirements are documented and live training is executable.								As of: Final Draft 2012
Criteria	Criteria Guidelines	References	Required Documents	Applicability				Mandatory Comments
				CoE	School/College	TR NCOA	RC	

	33b (3): Institution coordinates its new live training facility requirements with IMCOM and MACOM Headquarters in accordance with the SRP process.	AR 350-19, DA Pam 385-63	Interview with institution G3/S3 representatives and IMCOM representatives.	X*	X	X*	X*	Institution does not coordinate their live training facility requirement list with IMCOM developed live training facility requirement list.
	33b (4): Institution schedules for ranges and training lands in an efficient fashion.	AR 350-19, DA Pam 385-63	Interview with institution G3/S3 representatives and IMCOM representatives.	X*	X	X*	X*	Institution does not schedule ranges or training lands in a timely fashion.
Criterion 33c: Institution is adequately supported for all live training requirements.	33c (1): Institution sends approved POIs to TRADOC for entry into the Army Range Requirement Model (ARRM).	AR 350-19	Interview with institution G3/S3 representatives and IMCOM representatives.	X*	X	X*	X*	Live training POIs are not submitted to TRADOC SRP for submittal into ARRM.
	33c (2): Institution has reported all live training resource shortfalls to the proper agencies.	AR 350-19	Interview with institution G3/S3 representatives and IMCOM representatives.	X*	X	X*	X*	Unmet live training resource requirements are not reported to proper agencies (IMCOM, TRADOC SRP)
	33c (3): Institution has adequate facilities to execute all required live training. Ranges are adequate and maintained to standard to support training requirements. Training lands are adequate and maintained to standard to support training. Range Operations provides adequate support to training.	AR 350-19, DA PAM 385-63, TC 25-8, TC 25-1, POIs	Interview with institution G3/S3 representatives and IMCOM representatives. Range assessment.	X*	X	X*	X*	Institution cannot execute all required live training due to facility or other support shortfalls.

* when applicable (institutions with live-training requirements)
