Criterion 36a: Training is sequential, progressive, and conducted in accordance with the mandatory training sequence, and includes all required training.	36a(1): During instructional evaluation, compare training being presented to the lesson plan to ensure the correct material is being taught by the instructor. If outcomes-based training is being employed in IMT, it will supplement, not replace, the action-conditions-standard of the lesson plan. Note: Instructor should supplement material with relevant experience(s) when appropriate.	TR 350-6, para 3-4 TR 350-18, para 3-5 TR 350-36, para 2-2	Lesson plans and CMP/POI	X	X	X	X	X	X	Comment - Instructor is not teaching the material in the lesson plan.
	36a(2): Crosswalk training schedules and POI to confirm all material in POI is being taught in the correct sequence, and time to teach each lesson is properly allocated on training schedules. Note: Not to be confused with training to time, not standard – this is only a check to ensure training is being properly scheduled, so when lessons are identified as continually taking more or less time than prescribed by the POI, feedback is given to training developers to make the appropriate adjustments.	TR 350-70, Chapter VI-6	Training schedules, POIs, CMPs, and approved waivers	X	X	X	X	X	X	Not Met - One or more lessons in POI not being taught without an approved waiver from the proponent. Comment - All material is being taught, but differences in sequence and/or timeframe exist.
	36a(3): Use POI and training schedules to verify all WTBD are being taught in BCT, OSUT, and DCC. Use same documents to verify the required WTBD are being taught in BOLC B (not ALL WTBD are taught in BOLC B – some are taught in BOLC A).	TR 350-6, para 3-11 TR 350-36, para 2-3f WTBD implementation guidance	POI and training schedules	X	X		X	X		Comment - Not teaching all/required WTBD.
	36a(4): Use POI and training schedules to verify AITs and BOLC B are reinforcing required WTBD.	TR 350-6, para 3-11 TR 350-36, para 2-3f WTBD implementation guidance	POI and training schedules			X	X			Comment - WTBDs not being reinforced as required.
	36a(5): Review POI and/or training schedules to ensure mandatory reinforcement training is being conducted in the appropriate weeks of training.	TR 350-6, para 3-18	POI and training schedules		X	X				Comment - Reinforcement training is not being conducted.

	36a(6): Review POI and/or training schedules to ensure BOLC B common core programmed, integrated, awareness, and refresher tasks are being trained, and are conducted in the appropriate sequence.	TR 350-36, App D and E	POI and training schedules				X			Comment – Common core training is not being conducted, or is being conducted out of sequence.
	36a(7): Review BOLC common core POI integrated training documentation to validate documentation of integrated training tasks.	TR 350-36, para 4-3 TR 350-70, Chap VI-3	POI and lesson plans				X			Comment - Integrated tasks not documented in POI.
Criterion 36b: Students can perform to the prescribed learning objective standards and achieve desired outcomes.	36b(1): Observe trainer and student interaction to verify students understand the learning objectives and desired outcomes. If unable to determine through observation, interview students (as training allows).	TR 350-6, TR 350-36, TR 350-70, lesson plans, and SEP	Lesson plans	X	X	X	X	X	X	Not met - Students do not understand learning objectives/desired outcomes.
	36b(2): Observe student performance during practical exercises and exams to ensure Soldiers can perform to the prescribed learning objective standards and desired outcomes.	TR 350-6, para 1-6c and 3-14. TR 350-36, para 3-3 TR 350-70, Chapter VI-7	SEP and lesson plans	X	X	X	X	X	X	Not met - Students cannot perform to standard and/or outcomes, and retraining is not provided.
	36b(3): Review student test results and counseling to verify students pass criterion- and performance-based tests, and if not, that students are retrained and retested.	TR 350-6, para 3-7 TR 350-36, para 4-4e TR 350-70	SEP, test results, and student records	X	X	X	X	X	X	Comment – Review indicates high student failure rates on tests.
	36b(4): Review student dismissal packets to ensure students' rights are preserved (appeal procedures) and proper dismissal procedures are followed	AR 350-1, para 3-14 TR 350-18, para 3-30	SEP, SOP, and student records	X	X	X	X	X	X	Not met - Students are not afforded opportunity to appeal.
	36b(5): Verify individual training records (ITRs) are completed and forwarded to gaining units. Note (for BCT, OSUT, and AIT only): DA Forms 5286 and 5286-1 are part of the ITR IAW AR 350-1, para F-4. They should include all trained/evaluated lessons/tasks (in language gaining unit can easily understand), date of training/evaluation, and evaluation results (score, Go, No Go, 2 nd time Go, etc).	AR 350-1, para F-3 thru F-5	RITMS/ DTMS and student records	X	X	X	X	X	X	Not met -Complete ITRs not being sent to gaining unit. Comment (for BCT, OSUT, and AIT only) – DA Forms 5286 and 5286-1 do not

Criterion 36c: Physical readiness training (PRT) is conducted IAW prescribed guidance.	36c(1): Observe at least one PRT session for each course. Verify there is command presence at the session, session is led by a cadre member (DS/AITPSG/BOLC Cadre), and that other cadre perform exercises with the students to monitor intensity level and serve as role models. 	36c(2): Compare PRT conducted to training schedule and TC 3-22.20, Physical Readiness Training, to verify all three are in agreement and that training was conducted to standard. Note: This guideline is only applicable to RC MOS-T if the CMP or POI specifically states physical training is a requirement for the course.
