

# TSC MISSION

---

The Fort Leonard Wood TSC provides a single source of training service support IAW AR 350-38 and AR 350-52 from 0730 – 1530 Monday through Friday, (excluding Wednesdays), on Fort Leonard Wood and within the assigned geographical area of support to enable quality training.

# TSC VISION

---

An ever emptying warehouse and a full schedule for all TSC services to provide our supported commands and agencies what they need, when they need it, where they need to ensure no Soldier is ever untrained due to lack of our Training Support Services.
