ARMY COMMUNITY SERVICE OUTREACH: The purpose of ACS Outreach is to enhance readiness and retention by helping Soldiers and Families develop a stronger sense of self-reliance and belonging in the military community. Outreach targets those Families who have the greatest level of need, but are least likely to seek out and take advantage of services until they have reached a state of crisis. Once individuals and their issues/needs are identified, they can then be referred to the appropriate public sector/private sector agency for assistance. Outreach seeks to accomplish this by participating in on post/off post Family community events, on post organizational day functions, providing Family day briefings to Soldiers and Family members, setting up information tables during basic training graduations, conducting information briefings for permanent party, AIT students, and FRGs, and by manning information tables at various locations in communities around Fort Leonard Wood.

GLWACH had a Change of Command on the 12 July 2012.

Col. Marie A. Dominguez, former Chief of Professional Services for the 65th Medical Brigade and Deputy Commander for Clinical Services, MEDDAC-Korea & 121st Combat Service Hospital, took command of the General Leonard Wood Army Community Hospital.

GLWACH Health Care Covenant Signing

Col Dominguez and GLWACH Command Sgt. Major Tabitha A. Gavia conducted a public signing of the Army Medicine Healthcare Covenant, following the CoC and before the Pass In Review, which represents MEDCOM's commitment to provide quality healthcare to our military Retirees, wounded, ill or injured Soldiers, and Family members. The large 34" x 43" document will be on permanent framed display in GLWACH's main exit hallway.

ATTENTION NON-ACTIVE DUTY BENEFICIARYS--YOU have control over our budget, which means **YOU** can GREATLY help us provide better care--FOR YOU! :-)

Last year we collected an additional \$585,036.63 from other health insurance companies! WOW!!! When we bill your Other Health Insurance (OHI) company, this money goes into OUR GLWACH BUDGET and is used to provide better care for YOU!

YES, WE CAN BILL YOUR OHI COMPANY and use the funds to provide better service for YOU HERE AT GLWACH!

Of the \$585,036.63 collected from OHIs last year, and 68.81% of that was from the Pharmacy. This is a VERY LARGE increase in our GLWACH budget to improve YOUR healthcare—and all because of filling out this one form! *Please check back here at our GLWACH Facebook page to find out how to best complete this form at your next visit to our Pharmacy.

YES—the money we receive from these OHIs comes directly back to GLWACH, as opposed to going into some greater government pot of money!

So, if you are a TRICARE beneficiary who has OHI, we need your insurance information. DON'T WORRY-- WE WON'T SEND YOU A BILL! :-D

Congress has actually mandated that each MTF bill third party payers (OHIs). Non-Active Duty beneficiaries are also REQUIRED to provide their insurance information every year on a DD Form 2569. Again, these monies collected are sent directly to GLWACH and help maintain and increase our high quality of health care for YOU.

PLEASE, call or email the GLWACH Uniform Business Office to get your DD Form 2569 today at 573-596-5717 or GLWACHUBO@AMEDD.ARMY.MIL

GLWACH and OFCMH home staff will also HELP YOU complete the DD Form 2569 when you arrive for your next appointment so that it is completed as fast and painless as possible!

Thank you for helping US help YOU by providing this OHI information. Together, we can ensure that GLWACH is obtaining every penny it can to provide you the best healthcare possible!

For more information about the GLWACH Uniform Business Office, call 573-596-0511, email GLWACHUBO@amedd.army.mil, or check our Facebook page at www.facebook.com/GLWACH for updates!

MTF still most affordable even with enrollment fee increases!
