FOR IMMEDIATE RELEASE

Release No. 15-075

April 24, 2015

Engineer School top enlisted adviser deploys to Africa for new assignment

FORT LEONARD WOOD, Mo. – U.S. Army Engineer School Command Sgt. Maj. Butler Kendrick Jr. is slated to relinquish responsibility of the Engineer Regiment as he prepares to deploy to East Africa.

Butler will hand over the senior noncommissioned officer reigns to Command Sgt. Maj. Steven Tetreault in a ceremony slated at 9 a.m., April 28 on the Maneuver Support Center of Excellence Plaza here.

Tetreault will serve as interim regimental command sergeant major until Command Sgt. Maj. Bradley Houston arrives in June from Alaska.

Media interested in covering this event, should contact the Fort Leonard Wood Public Affairs Office at 573.563.4145, no later than 3 p.m., April 27.

About Fort Leonard Wood

Fort Leonard Wood is a thriving and prosperous installation that has evolved from a small basic training post 70 years ago to a premier Army Center of Excellence that trains more than 80,000 military and civilians each year.

Home to the Maneuver Support Center of Excellence, Fort Leonard Wood now trains and educates service members and develops doctrine and capabilities for the Training and Doctrine Command's U.S. Army Chemical, Biological, Radiological, and Nuclear School, U.S. Army Engineer School, and U.S. Army Military Police School, three gender integrated Initial Military Training brigades, and the Army's largest Noncommissioned Officers Academy.

Over the past several years, Fort Leonard Wood has received numerous additional responsibilities to include supporting the 4th Maneuver Enhancement Brigade, a large Forces Command unit that is responsible for all deployable capabilities at Fort Leonard Wood. A colonel-commanded Marine Corps Detachment and an Air Force Detachment, which are both the largest on any Army installation, are located on Fort Leonard Wood; a large Navy Seabee Detachment and elements of the Coast Guard train here as well.
