Lane closures slated for Fort Leonard Wood roads

FORT LEONARD WOOD, Mo. – Intermittent lane closures are scheduled for Pulaski Avenue, Young Street, Piney Hills Drive and Indiana Avenue beginning at 8 a.m., Saturday on Fort Leonard Wood.

The lane closures are in support of a project to re-paint the school crossing crosswalks. This work is slated to be completed by 5 p.m., Saturday, and the lanes will be re-opened to traffic.

The scheduled work may change depending on the weather. Motorists are asked to avoid the areas where possible and reminded to exercise caution when approaching work zones.

About Fort Leonard Wood

Fort Leonard Wood is a thriving and prosperous installation that has evolved from a small basic training post 70 years ago to a premier Army Center of Excellence that trains more than 80,000 military and civilians each year.

Home to the Maneuver Support Center of Excellence, Fort Leonard Wood now trains and educates service members and develops doctrine and capabilities for the Training and Doctrine Command's U.S. Army Chemical, Biological, Radiological, and Nuclear School, U.S.

Army Engineer School, and U.S. Army Military Police School, three gender integrated Initial Military Training brigades, one of only five reception stations in the Army, and the Army's largest Noncommissioned Officers Academy.

Over the past several years, Fort Leonard Wood has received numerous additional responsibilities to include supporting the 4th Maneuver Enhancement Brigade, a large Forces Command unit that is responsible for all deployable capabilities at Fort Leonard Wood. A colonel-commanded Marine Corps Detachment and an Air Force Detachment, which are both the largest on any Army installation, are located on Fort Leonard Wood; a large Navy Seabee Detachment and elements of the Coast Guard train here as well.
