FOR IMMEDIATE RELEASE

Release No. 15-135

Aug. 10, 2015

FLW road closures, re-openings

FORT LEONARD WOOD, Mo. – Several Fort Leonard Wood roads are now open, yet some remain closed due to flooding.

The following installation roads are now open:

Nebraska Avenue
Minnesota Avenue
Replacement Avenue
Alabama Avenue
Constitution Avenue.
All side roads near Gammon Field.
FLW 5

The following installation roads are closed:

FLW W
FLW 20
FLW 25 near the East Gate
FLW N
There is no access to Miller Cave or any of the Marine training areas near FLW 25 and FLW N.

Updates will be provided as they become available. Motorists are reminded to exercise caution when traveling, do not attempt to travel across flooded roads, and find alternate routes. It only takes a few inches of swiftly flowing water to carry vehicles away.

For more information, contact the Fort Leonard Wood Public Affairs Office at 573.563.4145.

About Fort Leonard Wood

Fort Leonard Wood is a thriving and prosperous installation that has evolved from a small basic training post 70 years ago to a premier Army Center of Excellence that trains about 80,000 military and civilians each year.

Home to the Maneuver Support Center of Excellence, Fort Leonard Wood now trains and educates service members and develops doctrine and capabilities for the Training and Doctrine Command's U.S. Army Chemical, Biological, Radiological, and Nuclear School, U.S. Army Engineer School, and U.S. Army Military Police School, three gender integrated Initial Military Training brigades, and the Army's largest Noncommissioned Officers Academy.

Over the past several years, Fort Leonard Wood has received numerous additional responsibilities to include supporting a colonel-commanded Marine Corps Detachment and an Air Force Detachment, which are both the largest on any Army installation, are located on Fort Leonard Wood; a large Navy Seabee Detachment and elements of the Coast Guard train here as well.
