### FOR IMMEDIATE RELEASE

Release No. 13-112

Nov. 22, 2013

## Transportation Days coming to post

**FORT LEONARD WOOD, Mo.** – It might sound like a science fiction movie plot — but, have you ever wondered what it would be like to travel on a roadway with a computer for a chauffeur? You will get the chance to find out next week during Fort Leonard Wood's Transportation Days.

The event is being sponsored by Installation Strategic Sustainability Plan teams.

During the event, the U.S. Army Tank Automotive Research, Development and Engineering Center is planning to give rides on a robotic vehicle on a first-come, first-serve basis. Other displays planned include an electric bus and truck, plug-in hybrid automobiles and vRide information.

Display and demonstrations are scheduled from 1 to 5 p.m. Dec. 2, and 9 a.m. to noon Dec. 3 at the Tech Park, which is located at 197 Replacement Avenue.

Reporters desiring to attend and cover the event should, should contact the Fort Leonard Wood Public Affairs Office at 573.563.4145.

### *About Fort Leonard Wood*

*Fort Leonard Wood is a thriving and prosperous installation that has evolved from a small basic training post 70 years ago to a premier Army Center of Excellence that trains 80-90,000 military and civilians each year.*

*Home to the Maneuver Support Center of Excellence, Fort Leonard Wood now trains and educates service members and develops doctrine and capabilities for the Training and Doctrine Command's U.S. Army Chemical, Biological, Radiological, and Nuclear School, U.S. Army Engineer School, and U.S. Army Military Police School, three gender integrated Initial Military Training brigades, one of only five reception stations in the Army, and the Army's largest Non Commissioned Officers Academy.*

*Over the past several years, Fort Leonard Wood has received numerous additional responsibilities to include supporting the 4th Maneuver Enhancement Brigade, a large Forces Command unit that is responsible for all deployable capabilities at Fort Leonard Wood. A colonel-commanded Marine Corps Detachment and an Air Force Detachment, which are both the largest on any Army installation, are located on Fort Leonard Wood; a large Navy Seabee Detachment and elements of the Coast Guard train here as well.*
