FOR IMMEDIATE RELEASE

Release No. 14-096

Oct. 10, 2014

Main Gate lane closures to delay access to post

FORT LEONARD WOOD, Mo. – Lanes three and four of Fort Leonard Wood's Sverdrup (Main) Gate are slated for closure beginning at 9 a.m., Oct. 20 due to required maintenance.

The lanes are scheduled to re-open following completion of repairs the evening of Oct. 21.

Post access through the Main Gate will be delayed due to this closure. It is recommended that motorists use the Waggener (West) or East gates during this time as alternate routes.

About Fort Leonard Wood

Fort Leonard Wood is a thriving and prosperous installation that has evolved from a small basic training post 70 years ago to a premier Army Center of Excellence that trains more than 80,000 military and civilians each year.

Home to the Maneuver Support Center of Excellence, Fort Leonard Wood now trains and educates service members and develops doctrine and capabilities for the Training and Doctrine Command's U.S. Army Chemical, Biological, Radiological, and Nuclear School, U.S. Army Engineer School, and U.S. Army Military Police School, three gender

integrated Initial Military Training brigades, one of only five reception stations in the Army, and the Army's largest Noncommissioned Officers Academy.

Over the past several years, Fort Leonard Wood has received numerous additional responsibilities to include supporting the 4th Maneuver Enhancement Brigade, a large Forces Command unit that is responsible for all deployable capabilities at Fort Leonard Wood. A colonel-commanded Marine Corps Detachment and an Air Force Detachment, which are both the largest on any Army installation, are located on Fort Leonard Wood; a large Navy Seabee Detachment and elements of the Coast Guard train here as well.
