## Summer Road Condition Definitions

### **OPEN**

**OPEN:** No safety threat to the public due to weather conditions. Proceed with normal operations.

### **CLOSED**

**CLOSED:** Restriction of all traffic on FLW. Emergency vehicles are unrestricted (MP's, ambulance, fire truck and DPW vehicles. Non-emergency vehicles must obtain approval from CG (Commanding General) or Authorized delegated Officer. POV travel will be restricted to mission essential personnel only.

## Winter Road Condition Definitions

### **GREEN**

**GREEN:** No safety threat to the public due to weather conditions. Proceed with normal operations.

### **AMBER**

**AMBER:** Road conditions are difficult to hazardous with patches of ice or packed snow. Limit travel to essential traffic. Drivers must slow to 10 MPH below the posted speed limit to maintain traction and a safe stopping distance. IET Soldiers will not operate TVs or NTVs under AMBER, RED, or BLACK road conditions. TVs or NTVs dispatched must be approved by an O-5 Commander in the command concerned.

### **RED**

**RED:** Road conditions are deemed or considered extremely hazardous. Packed snow 4-8", drifting snow; sheet ice. Safe travel is 10-15 MPH. Travel by TVs or NTVs is limited to emergency operations (emergency vehicles, DPW and SNAIR Support Team mission essential vehicles). The brigade commander in the direct chain of command will have dispatch approval authority for NTVs.

### **BLACK**

**BLACK:** Road conditions present a real risk of life or limb. Heavy drifting snow; packed snow 8" or more; black ice. All traffic on FLW is restricted with the exception of emergency vehicles, DPW and SNAIR Support Team mission essential vehicles. Non-emergency vehicles must obtain approval from CG (Commanding General) or authorized delegated Officer. POV travel will be restricted to mission essential personnel only and will not be used in lieu of military vehicles.

Contact Range Operations at 596-2525 for Training Areas and Ranges impacted.

Contact LRC at 596-0814 for guidance/updates on TMP Troop Transportation.

Contact G-33 at 528-0798 or 573-855-1846 for guidance/updates on Water and Ammo Delivery.

## **SNAIR Action Officer Contact Information**

- The current weather conditions are available anytime by dialing 573-563-4141.
- The weather phone and this weather report are updated as changes occur.
- When Liberal Leave is in effect, personnel must contact their supervisor for guidance.
- Any questions may be addressed to the IOC @ (573) 563-4045
- **DO NOT CONTACT THE SNAIR MOBILE PHONE FOR WEATHER UPDATES.** This phone is used specifically for conducting SNAIR Operations, not for providing weather updates or road conditions.
- SNAIR Action Officer (SAO) Operations Phone Number: (573) 563-4045 / 6126

## **Media Announcements**

Personnel who live in housing on post are requested to avoid parking on the sides of the street.

Please remember to slow down, wear seatbelts, and don't follow other vehicles too closely on wet or snow/ice covered roads. Check for the latest on local road conditions and the weather forecast prior to leaving home or work. Road conditions outside the gate in outlying areas may be in worse condition. Please be careful. Safety First!

Stay tuned to local radio and TV stations for the most up-to-date information as this winter weather develops. For current Fort Leonard Wood road conditions and additional weather related information contact the weather hotline at 563-4141. The weather web site is located at [www.wood.army.mil/newweb](http://www.wood.army.mil/newweb).

A reminder to parents, use the Child Development Center at 596-0210 and School Age Services at 596-0239 only for mission essential care in inclement weather. Contact your center to find out what time they will be closing.
