

Call for Fire Trainer (CFFT)

Purpose of Trainer:

The Call for Fire Trainer (CFFT) is an observed fire training system that provides simulated battlefield training for Indirect Fires, Close Air Support, Close Combat Attack and Naval Surface Fire Support. CFFT is a critical training enabler to support warfighters in applying precision fires on target to prevent fratricide and minimize collateral damage. The CFFT supports all fire support missions and is capable of depicting all current and future munitions and expanded to train all soldiers regardless of MOS.

Note: Fort Leonard Wood, TSC is equipped with (1) CFFT II configurations; 1:30 (fixed in a tiered classroom) located in Building 768, (Kanell Hall) Alabama Ave.
