FOR IMMEDIATE RELEASE

Release No. 13-013

February 20, 2013

Fort Leonard Wood snow and ice information

FORT LEONARD WOOD, Mo. – With winter weather always a concern in Missouri, travelers and commuters need to know the latest road conditions before hitting the highways. For those travelling to Fort Leonard Wood, the post has a program in place to keep drivers informed of travel and weather-related information.

Fort Leonard Wood's website and Facebook page are two of the best locations to find information about weather impacts to the installation. Before you travel to the fort, take a moment and look at the Snow and Ice Report section of the Fort Leonard Wood home page: www.wood.army.mil . Facebook: www.facebook.com/fortleonardwoodmissouri

This site contains an updated link to road conditions, closures, delays, and other impacts as they become available. You can also call the weather alert number at 573-563-4141 for the latest in information.

For more information contact the Fort Leonard Wood Public Affairs Office at 573-563-4145.

About Fort Leonard Wood

Fort Leonard Wood is a thriving and prosperous installation that has evolved from a small basic training post 70 years ago to a premier Army Center of Excellence that trains 80-90,000 military and civilians each year.

Home to the Maneuver Support Center of Excellence, Fort Leonard Wood now trains and educates service members and develops doctrine and capabilities for the Training and Doctrine Command's U.S. Army Chemical, Biological, Radiological, and Nuclear School, U.S. Army Engineer School, and U.S. Army Military Police School, three gender integrated Initial Military Training brigades, one of only five reception stations in the Army, and the Army's largest Non Commissioned Officers Academy.

Over the past several years, Fort Leonard Wood has received numerous additional responsibilities to include supporting the 4th Maneuver Enhancement Brigade, a large Forces Command unit that is responsible for all deployable capabilities at Fort Leonard Wood. A colonel-commanded Marine Corps Detachment and an Air Force Detachment, which are both the largest on any Army installation, are located on Fort Leonard Wood; a large Navy Seabee Detachment and elements of the Coast Guard train here as well.
