FOR IMMEDIATE RELEASE

Release No. 15-006

Jan. 12, 2015

Time set for community listening session

FORT LEONARD WOOD, Mo. – The Fort Leonard Wood community listening session is now scheduled at 5:30 p.m., March 2 in Nutter Field House here.

The listening session is an opportunity for the local community to provide public input to the Finding to No Significant Impact for the Supplemental Programmatic Environmental Assessment for Army 2020 Force Structure Realignment.

This is a chance for the public to share their thoughts and concerns on the potential force reductions with Army leaders and subject-matter experts.

The Army's decision and final supplemental assessment documents may be accessed at: www.aec.army.mil/Services/Support/NEPA/Documents.aspx.

For more information, contact the Fort Leonard Wood Public Affairs Office at 573.563.4145.

About Fort Leonard Wood

Fort Leonard Wood is a thriving and prosperous installation that has evolved from a small basic training post 70 years ago to a premier Army Center of Excellence that trains more than 80,000 military and civilians each year.

Home to the Maneuver Support Center of Excellence, Fort Leonard Wood now trains and educates service members and develops doctrine and capabilities for the Training and Doctrine Command's U.S. Army Chemical, Biological, Radiological, and Nuclear School, U.S. Army Engineer School, and U.S. Army Military Police School, three gender integrated Initial Military Training brigades, and the Army's largest Noncommissioned Officers Academy.

Over the past several years, Fort Leonard Wood has received numerous additional responsibilities to include supporting the 4th Maneuver Enhancement Brigade, a large Forces Command unit that is responsible for all deployable capabilities at Fort Leonard Wood. A colonel-commanded Marine Corps Detachment and an Air Force Detachment, which are both the largest on any Army installation, are located on Fort Leonard Wood; a large Navy Seabee Detachment and elements of the Coast Guard train here as well.
